ADDITIONAL BUILDINGS GIVEN TO W. T.

MORE PROJECTS ARE APPROVED FOR PWA WORK

Three Projects Recommended Monday at Washington

WORK STARTS SOON

Cousins, Home Ec. and Cottages Added to Buildings

The plant of the West Texas State Teachers College will be enlarged during the next few months by four building projects which will increase the value of the campus nearly $150,000. These are PWA projects which have been approved.

A home economics dormitory, costing $6,500; ten cottages for men or married students, costing $29,000; a $62,000 addition to Cousins Hall, which is a girls' dormitory; and a men's dormitory, costing $49,000 are to be erected as soon as detailed plans can be worked out.

The estimates state that 105 men will be given employment on the four buildings, the work lasting three months on the home economics house and five or six months on the others.

The capacity of Cousins Hall will be increased from 82 girls to 112 girls when the three story fireproof addition is completed. Cousins Hall was erected in 1919 and no additions have been made to it although the college has doubled in size since that time.

The Home Economics dormitory will be a seven room stucco and frame cottage, which will be occupied by six senior college girls who are home economics majors,

Rotary Club Will Entertain Anns on Night January 1st

The annual Rotary Ann night will be observed January 1st by the Canyon Rotary club. Chas. L Dickey will have charge of the program.

The club will hold no meeting on Christmas day.

The program Tuesday was in charge of Tom Knighton. Irby Carruth and Harris Cook reported on their trip to the State Teachers Association at Galveston.

A resolution was adopted expressing sympathy in the death of the mother of Joe Hill.

W. A. Warren called attention to the campaign of the Chamber of Commerce and urged that the citizens trade at home. He stated that 64 business and professional men were backing the present campaign to make Canyon a better town. All money spent in Canyon trade channels assisted all lines of business, the schools and the churches of the city.

Joe Hill called attention to the fact that the secretary of the United States Chamber of Commerce would be in Amarillo Dec. 13, and that business and professional men were invited to attend a banquet at which he will speak.

O. L. Coleman was a visitor at the luncheon.

Coldest Weather of Winter Hits Here Monday

The temperature dropped to 20 degrees above zero Monday morning at 5 o'clock, registering the coldest weather of the season.

The temperature has been uniformly colder this week than at any time during the winter.

Snow is predicted for this week end, with probably a colder wave today.

Indian Village Is Discovered at Park

Professor Johnston and Floyd Studer Make Find

Prof. C. S. Johnston, Professor of Archaeology and Paleontology in the West Texas State Teachers College, and Floyd V. Studer of the Panhandle Plains Historical Society, discovered an Indian village just outside the Palo Duro Park two weeks ago. It is believed that this village was inhabited by the Indian tribe known as the "Buffalo Hunters." An interesting bit of lore has come to light as the result of the discovery: these Indians were noted for their omadic nature. They built only temporary villages and little of their architecture was of durable materials.

Mr. Johnston and Mr. Studer have been interested of late in a discovery near Hereford, also. There they have excavated and found a village made up of low, rambling houses built of slabs of native rock. It is the opinion of the excavators that the inhabitants of this rock village were Pueblos.

The newly formed class of Archaeology at the West Texas State Teachers College has taken a special interest in these excavations and has made frequent trips to study the character and habits of the Indians.

William Lovejoy Funeral Services Are Held Sunday

The body of William Holman Lovejoy, 76, arrived here Saturday from Milensand, N. M., for burial at Dreamland Cemetery by the side of his wife who died several years ago.

The funeral services were held Sunday afternoon at 3:00 o'clock at the Methodist church, conducted by Rev. J. O. Quattlebaum.

Mr. Lovejoy lived in Canyon for several years before moving to New Mexico four years ago.

Surviving are two sons and one daughter: O. K. Lovejoy of Cyugor, Texas; R. B. Lovejoy of Colorado, Texas; Mrs. John Hill of Abilene.

The pall bearers were, Peter Meyers, Tom Gerald, Ed Gerald, L. A. Pierce, George Jones and Newt Hileman.

Mrs. Eliza Hunt Died Sunday; Funeral Held Monday

Mrs. Eliza Hunt, 77 years of age, died Sunday afternoon at 5.00 o'clock at her home in Canyon. The body was taken to Quail Monday for burial Monday afternoon by the side of her husband, who died several years ago. The funeral services were conducted from the Baptist church in Quail, the Griggs-Thompson Funeral Home in charge.

Surviving are two daughters and two sons, Mrs. W. S. Hastings of Canyon, Mrs. Oma Dukeminier of Amarillo; James P. Hunt of Seminole, Okla.; Frank Hunt of Quail.

DUNCAN THOMAS ARRESTED IN STORE THEFT SUNDAY

Duncan Thomas of this city and F. C. "Sky" Barnett of Amarillo were arrested Sunday night while attempting to break into a store in Amarillo.

Thomas has figured in other cases, and is wanted on a grand jury indictment in another case in Potter county.

Mr. and Mrs. Kenneth Fink of Childress, Mr. and Mrs. A. T. McCarty and family of Trinidad, Colorado, and Mr. and Mrs. W. A. McCarty of Segunda, Colorado, all spent Thanksgiving here with Mrs. Annie V. McCarty.

Miss Lee Christine Cousins spent the Thanksgiving holidays with friends in Plainvew.

New Wage Scale Set for Workers; Increase Budget

Acting upon instructions from Washington and Austin, the Randall County Wage Scale committee has set the local scale for labor at 25 cents per hour. The scale in the past has been 35 cents per hour. This scale was set in Washington and has been opposed in all sections of the United States as being too high in comparison to the price that farmers could pay for labor. As a result of the general protest on the wage scale, Washington authorities instructed county wage scales to be adopted at the same rate as being paid in other classes of labor.

The budget is not being disturbed under this wage reduction, but it means that the men will work more hours in order to make the wages provided by the budget. Appeal has been made to a larger budget during the winter months when it costs more money to live.

At the present time 190 are on the relief rolls in Randall County Of this number 150 men are working, all being employed at the

2,000 Head Of Cattle Quota For County

The quota for Randall county in the cattle buying campaign was increased from 1,000 to 2,000 head by instructions received Thursday by County Agent W. H. Upchurch.

The quota was originally set at 500. This was increased to 1,000 before buying started last week. The additional 1,000 was granted after an urgent request was made by Mr. Upchurch for this number.

Letters were directed to many farmers and ranchers Friday urging them to list the number which they wish to sell under this additional quota. It is believed that this will about clean up all of the cattle in the county which may be offered for sale. Cattle raisers are taking advantage of this additional allotment to clean up their herds of any scrub stock which might have remained after the first big buying campaign.

The government has been unusually prompt in making payment on the last cattle bought. Vouchers were sent out on Tuesday of last week, and the checks were received in one week's time.

Announcement was made yesterday from Washington that the government would continue the cattle buying program as long as it would be necessary to do so. The scarcity of feed, and the high prices of all feed stuffs is given as the reason for continuing the buying program. It is stated that the government would prefer to buy cattle than to see any of them die for lack of feed should this section be hit with a hard winter.

The buying campaign will continue in this county until the allotment of 2,000 is filled, and those who have cattle they wish to dispose of are again urged to call at the office of Mr. Upchurch to list the number they have for sale.

Rock House on T-Anchor Farm Nears Completion

The rock house of the West Texas State Teachers College farm on the Amarillo highway north of Canyon, is almost complete, after more than two months of continuous work. This structure, located on a little knoll immediately south of the creek and approximately thirty yards east of the highway, is of native rock obtained nearby. This house, which will accomodate six men, will make it possible for a total of thirty-seven men to stay at the farm and attend college.

All the work on the project has been done by the boys who are staying on the farm this year, with Edd Todd of Lakeview in charge of the stone working, and Ross Paine of Booker as head carpenter.

Colp Not Able to Reach Here Saturday For Inspection

D. E. Colp, chairman of the Texas State Parks Board, was unable to reach Canyon for the inspection of the Palo Duro Park scheduled for last week end. He has notified Major E. A. Kingsley that he will be here during this week or next week to make the inspection.

Major Kingsley received word from Dallas that the party headed by Victor Schoffelmeyer had been forced to postpone its trip for several weeks.

CALL MADE FOR BOYS TO ENROLL CCC WORK

H. S. Strain, county relief administrator, has received word from Austin that a call will be made for boys to enroll in CCC work before the first of January. The enrollment this time will be for a period of three months.

It is stated that the CCC work will be changed somewhat about the first of April when the next period expires.

Mrs. A. M. Smith left last Wednesday for an extended visit with relatives in Wichita Falls and Henrietta.

FIRST TIME CASH GIVEN CUSTOMERS

High School Band Will Give Concert at 2:30 p. m.

BARGAINS OFFERED

Saturdays Will Be Big Days During Month of December

Saturday of this week will be the first of the big days in Canyon when the business and professional firms are making special inducements to the people of this trade territory to come to Canyon.

A great day is being planned in the way of special bargains, which will make an inducement worthy of traveling many miles in order to take advantage of the offerings of the business firms.

More than 60 firms are banded together in this business offering, in the largest co-operative movement that has been staged in Canyon for many years.

The high school band, under the direction of H. S. Strain, will play a concert at 2:30 o'clock if the weather is favorable. They will be joined by a number of members of the Buffalo Band of W. T. This will be the first time that the high school organization has appeared down town in the new uniforms which was recently purchased by the citizens of Canyon.

At 3:00 o'clock the Chamber of Commerce will distribute $40 in cash to the citizens of this territory who have made purchases during the past week. All citizens of this territory are urged to be present in order to secure their share of this offering.

Saturdays will be observed during December for these regular cash distribution days. The business and professional firms of Canyon have made this event possible through the co-operative movement, and are asking all citizens to take advantage of these offerings of cash.

A list of the firms which are co-operating in this movement are printed in this issue of The News. All firms listed here are co-operating throughout the month of December.

Evetts Haley Has Article in Saturday Evening Post

J. Evetts Haley has an article in this week's issue of the Saturday Evening Post on "Cow Business and Monkey Business." Mr. Haley is an ex-student of W. T., was formerly field secretary of the Panhandle-Plains Historical Society, and now with the University of Texas.

The article is illustrated with many West Texas ranch scenes.

The method of the government in handling cattle buying is called monkey business as the situation in the Southwest is reviewed by Mr. Haley.

Haley is one of the few Texas writers who has been able to make the Saturday Evening Post, classed as the outstanding publication of America.

Hill and Condron Will Talk Sunday At Legion Meeting

The district meeting of the American Legion will be held in Clarendon Saturday and Sunday. A large delegation from Canyon will attend the convention.

Dr. J. A. Hill and S. H. Condron have been selected to appear on the program Sunday.

Rev. and Mrs. W. H. Bessire spent Thanksgiving in Darrouzett with Mr. and Mrs. Geo. Miller. Mrs. Miller will be remembered as Miss Bernice Bessire.

Mrs. Jeff Wallace and daughter, Miss Alice, spent the Thanksgiving holidays at Wichita Falls, Iowa Park and Electra.

Four PWA projects have been approved for W. T., and the fifth seems very likely to be passed upon favorably by Washington authorities. The five projects are improvements which have long been considered of great importance to the future growth and development of the institution. Not only will they furnish labor for a number of men during the coming year, but they will add very greatly to the attractiveness of the campus. That W. T. has been a real power in the educational growth of West Texas, one has only to glance back over the 25 years of history which has been written since the institution was opened. Today notes the high peak of its usefulness to this section. With the largest student body in its history; with a highly qualified and trained faculty; with a superior physical plant, which will be further improved by these additional buildings, W. T. faced the future with a firm determination to be of greater service than it has in the past. There is much work to be done to make the school system of Texas the most serviceable to the people of the state, as is disclosed by the continued study being made of the entire educational set-up of the state. Those who have been fortunate enough to be affiliated with the past 25 years of growth in W. T. have much to be proud of as a result of their labors; those who may be fortunate enough to be connected with the next 25 years of its history will have greater opportunities, greater advantages, greater materials with which they may work to bring about educational improvements in this State.

It is very disheartening to see those who make their living in Canyon, and who must depend upon Canyon citizens for the money they make for themselves and their families, continue to spend all of their earnings away from Canyon when they could buy the same articles in Canyon for the same or perhaps a cheaper price. Every dollar which goes out of this community is gone forever so far as the community is concerned. And with the flight of this dollar to build some other town, Canyon is undermined just to that extent. Business is crippled to the extent of one dollar with every dollar which goes out to build business houses in another town; property values in Canyon are undermined to the extent of that dollar which goes into foreign channels; the schools are hurt to that extent; the churches suffer one dollar's worth. There is not a single group of citizens who will build a better town of Canyon excepting those who live here. Every dollar made in Canyon could be spent in another town, or group of towns, and yet the business interests of those communities would not help the people of Canyon one thin dime if we called upon them for aid. Trading away from home is a very, very serious matter, and one which should be considered in the most serious light. Think of your home merchants first.

Another gangster has found that crime never pays. However, he sold his life dearly, considering the fact that two good officers went down by his gunfire. That the government's warfare on crime is having a good effect is seen by the lesser number of major crimes in the United States during the past month. The gangster has come to the conclusion that Uncle Sam really means business. A few years ago the only crime for which the government could secure a conviction was defraud of income tax reports. Today, the government is taking a decided stand against crime, and is shooting it out with the criminal, talking about it afterward.

The recent snow and rains have caused a decided improvement upon the feelings of the people of the Panhandle. "Give us half a chance, and we will raise a depression breaking crop next year," stated a prominent farmer Saturday. The old winning fight is back among the people of Randall county. The drouth gloom has disappeared. Determination is written on the faces of our people that 1935 shall be a normal year. When people start to thinking in an optimistic manner, conditions just naturally improve. Nothing changes the view point so much as do a few good rains and snows.

Those who are counting upon an old age pension of $200 per month when they reach the age of 65 years will be doomed to disappointment. The government simply could not stand that sort of a program, according to business figures compiled upon the basis used by those who advocate the plan Without doubt there will be enacted some sort of an old age pension before many years. It is probably the best manner in which this serious problem of old age may be handled.

Come to Canyon Saturday and participate in the first day of special bargains which is being sponsored by the Chamber of Commerce. Practically every business firm in Canyon is co-operating in this movement to make an interesting and profitable day for those who come to Canyon on that day. This special campaign will continue during December, and all citizens of Randall county are urged to be here every Saturday afternoon to take advantage of the opportunities offered.

Political and economic observers believe that Japan is riding to a fall, similar to the manner in which Germany did, under the Kaiser rule. Japan seems ready to defy the entire world if not given all they ask.

Canyon's business houses are filled with practical Christmas gifts, and are ready for those who will buy. It is stated that the upturn in business will make this the best Christmas since 1929. If that is true, then it is very essential that Christmas shopping be done early if a choice selection is to be found in the business houses. Buy early —and in Canyon.

A postoffice building for Canyon should be the next big enterprise attempted. The receipts of the local office are growing; they are nearly as large as some towns which have received postoffice buildings. A good postoffice building in Canyon would be a decided addition to the business section.

Unemployment Insurance Next on New Deal Menu, President Promises

UNEMPLOYMENT insurance for American workers is definitely on the way. In several recent public utterances, President Roosevelt has specified that such legislation will come before the next Congress.

A staunch believer in this form of workingman protection since his New York governorship days, the president does not feel that the shaken house of American industry can be safely and solidly rebuilt unless, in its new foundation, there is some such provision for security of its 40,000,000 wage-earners.

Sentiment favoring unemployment insurance has grown in leaps and bounds during the depression. State and federal governments grasp at it as a means of averting tremendous relief demands. And industry begins to see in it a desirable alternative to costly federal relief projects spelling burdensome taxation; and a vast supply of purchasing power during slack times.

More than a score of state legislatures have in recent months studied a host of proposed jobless insurance measures. There's the "European plan" bill, considered in Ohio, for instance, under which employers and employes would contribute in a 2-1 ratio to a general benefit fund.

And the "American plan" measure, adopted July 1 in Wisconsin, by which each employer maintains at a definite level a fund for the benefit of his own employes.

In what was perhaps the most sweeping measure of its kind, the Workers' Unemployment Insurance Bill, introduced during the last Congress, provided that Uncle Sam would pay each job-bereft citizen a minimum of $10 weekly, plus $3 for each dependent, the necessary money to be taken from federal funds set aside for war preparation and by taxation of upper-bracket incomes.

Senator Robert Wagner, above, of New York, has been one of the most active advocates of federal unemployment insurance, which, President Roosevelt promises, will come before the next Congress.

• • •

A PLAN looked upon with favor last winter by President Roosevelt and others high in federal circles was that proposed by Senator Robert Wagner of New York and Representative David Lewis of Maryland.

Under the Wagner-Lewis bill, the federal government would collect an excise tax on employers' payrolls. Then each employer would be entitled to a return of the tax up to the amount he had paid into a state insurance fund, with extra benefit to him if he stabilized his industry.

The worker when laid off would get at least $7 a week for 10 weeks of unemployment. The theory of the Wagner-Lewis setup may have some influence on the insurance measure finally adopted, even though, recently, the president declared insurance funds should come from "contributions, not taxes."

• • •

THE United States is far behind the world parade in adopting unemployment insurance, which had its inception in Europe some 30 years ago. Foreign workers in 19 countries now have such protection. One form of it is the English dole.

In America, though, the idea is not new. For 22 years many United States industries have used this method of protecting their workers during seasonal lay-offs. So, when the government gets ready to launch unemployment insurance, it may find the ways already greased.

Electric Refrigeration For All Seasons

Every day is "bargain day" with electric refrigeration. Specialists in health whether they be physicians, druggists, or teachers of home economics agree unanimously that the keeping of the food compartment uniformly cold is perhaps, the outstanding advantage in electric refrigeration. Enterprising grocers and market-men have full confidence in the proper conservation of wholesome food values that they sell when stored in a good electric refrigerator. Any housewife proudly adds to her reputation as a "smart manager" through the aid of daily savings from waste in obsolete refrigeration. She recognizes, too, that savings in fall and winter are as important as in spring and summer.

The design fits admirably in the kitchens of today while the excellent mechanism frees one from any thought of unsatisfactory operation. It is the responsibility of this company to see that a dependable electric service assures you the maximum efficiency from your refrigerator. You'll be agreeably pleased with the low operating cost required to keep the foods in a state of healthful conservation—a matter of no small consideration.

At this season a splendid opportunity presents itself to "make Xmas last a lifetime." There's a model to meet your requirements that may be obtained from your dealer on a convenient purchase plan.

CLARK MADE CHAIRMAN OF MUSIC COUNCIL

W. T. MUSIC DEPARTMENT TRAINS TEACHERS OF TEXAS

While Mr. Wallace R. Clark, Miss Pauline Brigham, Mr. Herschel Coffee, Miss Ada V. Clark, and Miss Frances Usery attended the Texas State Music Association at Lubbock during the Thanksgiving holidays, Mr. Clark was made chairman of the Council of Music Education of state supported institutions which was formed during the convention.

Purpose of Council

Those state schools which were represented were West Texas State Teachers College, Texas Technological College, College of Industrial Arts, San Marcos State Teachers College, and North Texas Agricultural College at Arlington. Other state institutions will be asked to join. The work of the council will consist of discovering a common basis on which all the institutions can offer credit and on which they can organize their work and will study the courses which have been worked out in each institution, the idea being that all the institutions can strengthen their departments through a study of the departments of the others.

Professor Clark was made chairman because this college was designated several years ago as the institution which should take the lead in training music teachers for the public schools of all Texas. This designation was made by the State Board of Regents because the work of the music department in this college is recognized as in advance of that of many others.

Professor Clark was a judge in the massed piano contest; Miss Clark was a judge in the State Dealey voice contests; Mr. Coffee was a judge of the violin contests. Miss Brigham was official accompanist for the convention.

Will Tell About Byrd Expidition To Poles

Charles E. Lofgren, Secretary to Rear-Admiral Byrd from the beginning of the organization of the Byrd Antarctic Expedition, will appear at West Texas State Teachers College Monday, December 17th, at 7:30 p. m. Lieutenant Lofgren was Personnel Officer on the first trip to the Antarctic and back, his right-hand man through every minute of that inspiring triumph, and personal aide on Byrd's 1930 transcontinental lecture tour.

Retired Now

In 1927, after sixteen years' honorable service in the United States Navy, Lieutenant Lofgren retired. He was commissioned as Lieutenant, junior grade, during the World War, participated in the occupation of Vera Cruz, Mexico, in 1914, holds four good conduct medals for fidelity, zeal and obedience in the Navy, and was awarded the special gold congressional medal as an officer of the Byrd Antarctic Expedition.

Brings Expedition Story

Lofgren will bring the story of the first Byrd Antarctic Expedition, linked it up with the present trip, and throw much light on what is transpiring at the South Pole now, in an appearance here Dec. 17th.

Contentment!

There IS something about a friendly open fire that seems to radiate a spirit of peace and contentment—something that warms the heart as well as the hands. Perhaps that accounts for the amazing popularity of the Gas Radiant Heater, which not only adds to the charm of any fireplace or mantel, but affords a practical, efficient sourse of instant heat.

If you'd like to re-discover the joy and comfort of an open fire. Go in and let your Gas Appliance Dealer demonstrate the Gas Radiant Heater—and tell you how easily you can own one.

Mr. and Mrs. T. E. Russell and family and Mr. and Mrs. J. D. Russell and family of Panhandle spent Thanksgiving with relatives in this community.

Everyone is invited to attend Sunday school and church at Sunny Hill next Sunday. Special musical numbers are being planned for that day.

PRACTICAL GIFTS

Christmas time is here once more, and with it should come the spirit of Practical Giving—Gifts which will serve the family throughout the months and years to come.

RCA RADIOS make a Christmas gift which will be highly appreciated by the entire family as they enjoy the splendid programs of the air.

THE KELVINATOR is a most practical gift which will provide the family with wholesome, fresh food during the winter and summer months.

GAS STOVE—whether it be a cooking range, or a beautiful heating unit—these are something that the whole family may enjoy during the cold winter months—and the kitchen will be complete with this method of cooking.

WHEEL GOODS—No, we have not overlooked the kiddies, as we arranged our stock for Christmas buying. Plenty of wheel goods and toys which the children will enjoy.

ABC WASHING MACHINES—another most practical gift, the most serviceable machine on the market, one that mother will appreciate.

NOTABLE GUESTS AT THE LITTLE HOUSE

Last Monday night, Rev. Theodore O. Wedel, Ph. D., Episcopal National Secretary for College Work, Bishop E. C. Seaman, Rev. Warwick Aiken and Rev. Walter Henchell, of Dalhart, were dinner guests of Mrs. Elizabeth Fry Page, at the Little House of Fellowship, at seven o'clock.

At eight, a company of thirty students and several faculty members called to meet the house guests and to spend the evening in the discussion of subjects of mutual interest. Dr. Wedel, who is on tour throughout the United States, visiting Episcopal college student centers, gave an informal talk, the key-note of which was the necessity for making religion the basis of all education. Following this there was a general discussion of the subject led by Bishop Seaman.

Dr. Wedel played the piano accompaniment for the singing of the college Alma Mater, and for the house song of the Little House. He also contributed other vocal and instrumental numbers, and led a group in the singing of Christmas carols.

At the tea hour, Mrs. Geraldine Green poured tea, and Misses Hellen Hickman, Mabel Mongole, Fannie Gordon, and Nell Green assisted in the serving. Christmas cakes, tea, mints and crystalized conserve constituted the refreshments. Bright flower gifts adorned the table, and the house was gay with holiday decorations.

Miss Ruth Wells and her Y. W. C. A. cabinet, and the Student Religious Council were special guests.

On Tuesday morning, Dr. Wedel was guest speaker at the college chapel hour, after which, he and all of Mrs. Page's guests were entertained by Miss Hellen Hickman with a morning coffee. A visit was made to Mrs. Agnes Smith at Cousins Hall, followed by luncheon with Miss Miltia Hill at Randall Hall.

Dr. Wedel, whose home is in New York City, was most happily impressed with the college, with Canyon and with the student body, whose singing he pronounced the best he had heard anywhere.

MRS. O'KEEFE SPENDS THANKSGIVING IN AUSTIN

Mrs. Rubie J. O'Keefe, accompanied by Ralph O'Keefe, Helen Johnson, and Frances Holman, left Canyon Wednesday morning, November 28th at four o'clock for Austin to spend the Thanksgiving holidays. Mrs. O'Keefe was visiting her husband, Wallace O'Keefe, who is attending the University.

WEST SIDE H. D. CLUB WITH MRS. L. H. HOLMAN

In order to complete the work outlined for the year, an all-day meeting of the West Side H. D. Club was held at the home of Mrs. L. H. Holman last Wednesday, Nov. 28th. A business meeting was held in the morning and the following officers were chosen for the new year:

President, Mrs. L. A. Donnell; vice president, Mrs. J. E. Hunter; secretary-treasurer, Mrs. W. C. Roberts; parliamentarian, Mrs. Wm. Ash; reporter, Mrs. L. D. Winn.

Plans were made for the annual Christmas party at the home of Mrs. L. A. Donnell, on Friday afternoon, Dec. 21, and names were drawn for the exchange of gifts among members. In the afternoon Miss Bass gave a very instructive talk on "Storage Space, how to build and how to care for clothes."

At noon a tasty repast was served by the members, each of whom had brought a dish.

The club was glad to have the following visitors during the day: Mrs. Henry Cone, Mrs. S. Hart, Mrs. John Ballingee, Mrs. W. T. Davis, Mrs. D. E. Phillips, Mrs. F. M. Brazil, Mrs. G. H. Hardman, Mrs. W. B. Smith, Mrs. M. W. Gordy of Edgetown Club; Mrs. Colt Cornelius of Amarillo. Twenty members and one visitor from West Side attended the meeting.

EX-STUDENTS HAVE BREAKFAST IN GALVESTON

Ex-students of West Texas State Teachers College were entertained with a 7 o'clock breakfast at the Galvez Hotel, November 30.

President J. B. Speer presided. The following program was given:

Welcome, Bob Jarrett.

Greetings from the College, Dr. R. P. Jarrett.

Introductions, Miss Graham.

Anniversary Theme, Mrs. Green.

Ex-Student Plans, George Heath.

Volunteer speeches were given by many of the exes present.

The following people were present: George A. Heath, Robert Jarrett, Loraine Bruce, Ivy Parker, Geraldine Green, Nell Green, Louise Holgate, L. N. George, Ercell W. Brooks, Amos M. Walker, Wm. T. Falls, J. B. Golden, Frank Farmer, F. N. Sawyer, Darthula Walker, Ruth Cross, E. G. Marshall, Harris M. Cook, Irby Carruth, Law Sone, Knox Kinard, Erna Alsup, Mary Lou Roberson, Rolland Crouch, Ragnvald Fowler, Mrs. R. P. Jarrett, Dr. R. P. Jarrett, J. B. Speer, Avalene Coleman, Loys Scott. All reported a great time and stated that they would possibly all be present at the next breakfast.

RANDALL HALL HAS FORMAL DINNER

The girls of Randall Hall enjoyed a formal dinner Tuesday evening, November 25.

The dining room was gaily decorated in the mode of the Thanksgiving holidays. The place cards were in the form of a pilgrim, with the program and menu on the back. The tables were pleasingly arranged in the form of a U.

Miss Elizabeth "Bibs" Jameson presided as hostess and mistress of ceremonies during the evening.

The program was as follows:

Vocal solo, "The Night has a Thousand Eyes, by Dichmont; "Till the Dawn Breaks Through," by Kountz. Sung by Miss Eddie Mae Scott, accompanied by Miss Pauline Thompson.

Reading, "The High Backed Chair," by King, given by Miss Virginia Hammer.

Vocal solo, "Marcheta," by Schertzinger; "Memory Lane," by De Silva, given by Mr. Coy Palmer, accompanied by Mrs. Helene Dyer.

Tap Dance, by Vera Goodwin, accompanied by Mrs. Helene Dyer.

Violin Trio, "Danda's Trio, by Danda, by Misses Louise Shirley, Kathleen Bragg and Vera Goodwin.

The guests for the evening were: Mrs. Geraldine Green, Miss Pauline Brigham, Miss Hellen Hickman, Miss Agnes Charlton, Mrs. Tommie Montfort, Miss Nell Green, Miss Hester Gates, Miss Louise Shirley, Mr. Coy Palmer. All the guests contributed something to the program, either with special numbers or short extemporaneous talks.

A. A. U. W. HAS DECEMBER MEETING MONDAY EVENING

Miss Agnes Charlton, assisted by Mrs. Tommie Montfort and Miss Hattie M. Anderson, was hostess to the Canyon members of the A. A. U. W. Monday evening, December 4th.

Misses Edna Graham, Gwendolyn Black, and Mrs. Geraldine Green told of the annual meeting of the State Teachers Association in Galveston. The group voted to enter at once upon its project of purchasing books for the school libraries.

A delicious refreshment course, gracious hostesses, and Miss Charlton's interesting home were very pleasing complements to the usual study programs.

The January meeting will be held at the Kerr House with Misses Hibbets, Wiley, Jordan, Foster, and Mrs. Laura Saunders, hostesses.

Miss Thelma Thorp of Pampa was here over the week end visiting friends.

Dr. Hill Did Not Broadcast Sunday

Because of the possibility that Joseph "Joe Boy" Hill would not hear his father, Dr. J. A. Hill, in a radio message broadcast Sunday evening, Dr. Hill did not go to Dallas to speak over WFAA on the broadcast to the three Texas members of the Little America party. Dr. Hill stated that Joe was on a trip about a hundred miles from Little America and might not be able to hear his father or be able to speak to him.

Dr. Hill heard the broadcast and reports that it was exceptionally good. Governor Miriam A. Ferguson who was on the program, was a school mate of Mrs. Hill and mentioned Joe in her talk. She reported that Joe was a "100% Texas Longhorn." She expressed her regret that Dr. Hill could not attend the broadcast.

BAND TO WHITE DEER

The thirty-piece band of the West Texas State Teachers College will give a concert in White Deer tonight.

Most of the program, according to Director C. E. Strain, will consist of request numbers. Soloists will be Miss Lila Beth Burroughs, pianist, C. E. Strain, horn and cornet, and Houston Bright, singer.

Arrangements for the program were made by W. A. Armstrong and Ray Crowder who have charge of the White Deer band. Transportation and entertainment are furnished to the visiting band since the college has no funds available for financing such trips.

EPISCOPAL CHURCH

Rt. Rev. E. Cecil Seaman, D. D., of Amarillo, will preach at the Canyon church next Sunday night, Dec. 9th, at eight o'clock. Bishop Seaman has just returned to the District of North Texas from an extended tour, from Boston, Mass., to Seattle, Wash., including many states and cities, during which tour he led one of the groups carrying throughout the country the message of the recent General Convention of the Episcopal Church, and the objectives of the Church's missionary program for the next three years.

All students and their friends are invited to hear him, and to meet him afterwards at the Little House of Fellowship.

Rev. Warwick Aiken will also be present and will conduct the service of evening prayer.

CITATION BY PUBLICATION

THE STATE OF TEXAS.

To the Sheriff or any Constable of Randall County—Greeting:

You are hereby commanded to summon N. O. Beckett by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in any newspaper published in the 47th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 47th Judicial District, to appear at the next regular term of the District Court of Randall County, to be holden at the Court House thereof in Canyon, Texas, on the First Monday in January A. D. 1935, the same being the 7th day of January A. D. 1935, then and there to answer a petition filed in said Court on the 8th day of August A. D. 1934, in a suit, numbered on the docket of said Court No. 1442, Wherein Irene Jones Beckett is Plaintiff, and N. O. Beckett is Defendant, and said petition alleging as follows, to-wit:

That plaintiff has been a bona-fide inhabitant of the State of Texas for one year and a bona-fide inhabitant of Randall County, Texas, for six months next preceding the filing of her petition herein; that plaintiff and defendant were married about the 29th day of August 1927, and lived together until about the 24th day of March 1931, when without provacation the defendant left and permanently abandoned plaintiff since which time they have not lived together as husband and wife. Plaintiff alleges that during the time she and defendant lived together as husband and wife she was kind and affectionate, furnishing him a home most of the time with her parents, but defendant refused to provide for her and support her, that he lost interest in her and would go away for weeks at a time, would not work and earn a living for her, but forced her to live with her parents who practically supported both of them. That on the day and date aforesaid while she was in the hospital at Amarillo he left her and permanently abandoned her; that she had not lived with him, nor heard from him since. That there was born to plaintiff and defendant one child, a girl, Edith Joe Beckett, who is about four and one half years old, and plaintiff is able and willing to have the care and custody of said minor child; that further living together of plaintiff and defendant as husband and wife would be insupportable. Plaintiff prays for a decree of absolute divorce and custody of the minor child, Edith Joe Beckett.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this the 6th day of December, A. D. 1934.

Neely, a single man, dated February 5, 1931 and recorded in Volume 63, Page 510 of the deed records of Randall County, Texas, which said deed recites the execution of vendor's Lien Notes, and a vendor's lien retained.

Twenty-Fifth: A transfer of vendor's lien note from the Panhandle Improvement Co., a Corporation, to D. H. Alexander, Deaf Smith County, Texas, dated February 6, 1931, and recorded in Volume 64, Page 131 of the deed records of Randall County, Texas.

Twenty-Sixth: A transfer of vendor's lien note from D. H. Alexander to S. J. Hott, dated July 31st, 1931, and recorded in Vol. 64, Page 525 of the Deed Records of Randall County, Texas.

Twenty-Seventh: A deed of trust from W. H. Neely to Alvin Hill trustee for S. J. Hott, dated July 31, 1931, and recorded in Volume 22, Page 202 of the deed records of Randall County, Texas.

Twenty-Eighth: A deed from W. H. Neely to H. W. Neely dated January 8, 1932 and recorded in Volume 65, Page 551 of the deed records of Randall County, Texas.

Twenty-ninth: The resignation of Alvin Hill as trustee dated June 8, 1932 and recorded in Volume 66, Page 458 of the deed records of Randall County, Texas.

Thirtieth: The appointment of Albert L. Randall as substitute trustee by S. J. Hott dated June 7, 1932 and recorded in Volume 66, Page 459 of the deed records of Randall County, Texas.

Thirty-first: A trustee's deed from Albert L. Randall, trustee to S. J. Hott, dated July 5, 1932 and recorded in Volume 67, Page 66 of the deed records of Randall County, Texas.

Plaintiff further alleges that some question has arisen as to the validity of sale of said property by the substitute trustee and the deed executed by Albert L. Randall, substitute trustee to S. J. Hott, which said deed is dated July 5 ,1932 and recorded in Volume 67, Page 66 of the deed records of Randall County, Texas, by reason of some irregularity regarding the posting of the notices of said sale, and other irregularities connected with said sale. Plaintiff says that said sale was regularly made at the court house door of Randall County, Texas, in strict compliance with all of the terms of the deed of trust under which same was made after notice had been given as required by the provisions of said deed of trust of the time, place and terms and conditions of said sale that said property at said sale was bid in by the plaintiff, S. J. Hott, that said sale and the purchase by the plaintiff was in all things regular and strictly in accordance with and in compliance to the terms of the deed of trust herein referred to and under which sale was made.

Plaintiff alleges that by reason of the irregularity mentioned in connection with the sale of said property by the substitute trustee causes a cloud upon the title to plaintiff's property above described and this suit is brought for the purpose of removing the cloud from the title to said property.

Wherefore plaintiff prays that the defendants be cited in terms of the law to appear in answer to this petition and that, upon hearing, he have judgment removing any and all clouds from plaintiff's title to the above described land, for costs of suit, such other and further relief, general and special in law and in equity that he may show himself justly entitled.

Second Count

Plaintiff further represents to the court that on or about the 5th day of July, A. D. 1932, he was lawfully seized and possessed of the following described land and premises situated in Randall County, Texas, holding the same in fee simple by virtue of the chain of title presented in the first count of this petition, that the land and premises, known and described as Lots No. 2 and No. 5, Block No. 90 of the Mrs. M. D. Oliver-Eakle Addition to the City of Amarillo, Texas, said land being located in Randall County, Texas.

That on the day and year last aforesaid the defendant, W. H. Neely, his unknown heirs, his and their heirs and legal representatives, H. W. Neely, his unknown heirs, his and their heirs and legal representatives unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully with-hold from him the title and possession of and to his damages, $1,000, wherefore plaintiff prays judgment of the court that the defendants and each of them be cited to appear in answer to this petition that he have judgment for title and possession to the aforesaid land and premises above described and that a writ of restitution be issued for damages and costs of suit for such other and further relief, special and general, in law and in equity, that he may be justly entitled.

Third Count

And plaintiff further represents to the court that, if he be mistaken in counts one and two above, that he pleads as follows:

That on or about the 5th day of February, A. D. 1931, the defendant, W. H. Neely, made, executed and delivered to the Panhandle Improvement Company, one promissory vendor's lien note in the sum of $900 due on or before six months after date bearing interest from date at the rate of 10% per annum until paid with all past due principal and interest to bear interest at the rate of 10% per annum until paid, said note executed by W. H. Neely and payable to the order of the Panhandle Improvement Company.

That said note provides for the usual 10% attorney fees on the amount of principal and interest then due in the event suit is brought on said note or same is placed in the hands of an attorney for collection whereby the defendant, W. H. Neely, became bound and liable to pay and promised to pay to the Panhandle Improvement Co. the said sum of money together with interest and attorney fees therein specified. Said note was given as a part of the purchase money for Lots Nos. 2 and 5 in Block No. 90 of the Mrs. M. D. Oliver-Eakle Addition to Amarillo, in Randall Co., Texas, which the Panhandle Improvement Co. deeded to W. H. Neeley on Feb. 5th, 1931 which deed is recorded in Vol. 63, Page 501 of the Deed Records of Randall County, Texas, in which it retained a vendor's Lien to secure the payment of said note. Plaintiff purchased said note in due course of trade before maturity, and is now the owner and holder of said note and lien. That on July 31st, 1931 the defendant W. H. Neeley renewed said note and lien by the execution of two notes one for $943.75, and one for $56.25, each due on or before one year after date, bearing interest at 10% from date until maturity, and providing for 10% attorneys fees, and as additional security executed a deed of trust in favor of plaintiff on said property to secure the payment of said notes; which said deed of trust is recorded in Vol. 22, page 202 of the deed of trust records of Randall County, Texas. That said notes are long past due and unpaid and defendants have refused to pay same or any part thereof to plaintiff's damages in the amount of principal, interest and attorney's fees. That plaintiff is the owner and holder of said notes and has placed them in the hands of W. J. Flesher an attorney for collection and has contracted to pay him the 10% attorney's fees specified therein.

Plaintiff prays for citation by publication as the address and residence of all Defendants are unknown, for his debt, interest and attorney fees and cost of suit and for foreclosure of his lien and for sale of the property above described according to law and for general and special relief in law and in equity.

Herein fail not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Canyon, Texas, on this 6th day of December, A. D. 1935.

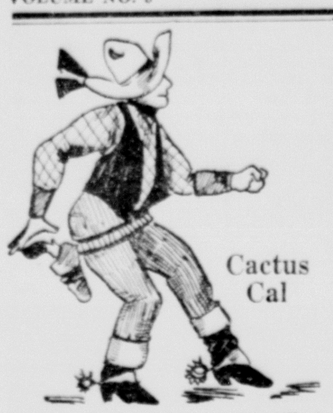
THE EAGLE'S TALE

VOLUME NO. 9 | CANYON, TEXAS, DECEMBER 4, 1934. | NUMBER 13



Well, well, well. I am still in misery from my Thanksgiving dinner, that Elmer had me eat. Would you believe it, any way I am.

Did all of you folks go to Amarillo last week to see that game between Amarillo and Pampa. I sure wanted to see that game, but old Israfel wanted to stay home, he was sick after eating all of those scraps that had been given him up at the Canyon High School after the Home Eck. girls had finished serving dinner to some of the teachers, so I was afraid to ride him so far.

Hah, hah, hah. Elmer sure has been laughing at Mr. Carruth since the Seniors beat the Sophs. in soft ball. Elmer said that Mr. Carruth stated that his Sophs. were going to beat the Seniors bad, but they sure didn't, did they?

Did you all folks hear about "Speck" Furlow teasing "Fat" Childers about the game, and to tell you a secret, I think that "Fat" was afraid to say anything to "Speck" afraid that "Speck" might whif him. So take care of yourself, "Fat."

Gosh, I just couldn't believe it when I heard that Pee Wee Lowe was discussed at faculty meeting the other day. They said that if Pee Wee didn't stop trying to fall down when she takes notices around to the rooms that they are going to fire her as an office girl. I don't believe that Pee Wee could do any thing like that, or like them teachers say that she does and if old Cactus Cal can do any thing to help her I'm sure I will if it can be done.

Can you tell any improvement in my letters since I'm taking English. I shore am working hard.

Yours,
CACTUS CAL.

THIS BORROWING RAGE

"May I borrow some ink? Have you any tennis shoes. May I borrow them?" Someone is constantly asking to borrow something.

Did it ever occur to you that others do not like to lend everything they have, and that they only do it for courtesy's sake sometimes? Haven't you seen pencils, ink, paper, basketball suits, tennis shoes and cosmetics pass from hand to hand? What will they borrow next? Your face?

Everyone loves to rely on himself for the things he needs; everybody loves the person who is independent. Wouldn't you like to be like he? Why borrow?

Seniors Defeat Sophomores To Win Softball Tourney

With a biting breeze blowing and a crowd of onlookers screaming their approval or disapproval, the senior boys defeated the sophomores Wednesday, Nov. 26, in the final game of the softball tournament by a score of 14 to 6.

The game opened with the seniors up to bat. The first inning was in favor of the seniors with 10 scores being made before being downed by the sophs. The sophs were downed by the first three men up.

In the first half of the second inning only four seniors came to bat, making one score. They were able to score two runs in the second inning.

Three scores were made by the seniors in the third inning making the score 14 for the seniors. Failing to scratch, the sophs were down to a score of 2 in this inning.

The seniors again failed to scratch in the fourth inning. The sophs were able to run in one score.

Again in the fifth inning the seniors were stopped with three men up and three men down. The sophs were again able to score one run in the last inning, ending the game with a score of 14-6 in favor of the seniors.

The outstanding runners of the game were Ronald Black and Estil Furlow. Bud Myers for the seniors played an outstanding game in center field.

Outstanding players of entire school were picked as follows, and will probably play some outside games: Howard Roberts for his catching; Jack Taylor as first baseman and his batting; Fat Cox as pitching and batting; Douglas Louder as pitcher; Odell Miller as a batting genious; Thomas Harris for first base and batting; Lester Smith for his batting average; Willard Childers for right field; Ed Brooks for his pitching and batting average; Curtis Ellison for his good work on third base and his batting; Boots Johnson as fielder and batter; Ronald Black batter; Bud Myers for center field and batting; Lavert Avent as batter, and Fairy Hill as pitcher.

From the Student Prexy's Pen . . .

On whom must the blame for detention camp be laid? This method of punishment has been set aside for certain reasons, and these reasons are becoming quite visible. Who is it that runs up and down the halls every morning between 8:30 and 9:00 and after school? Who chews gum, talks without permission, and is late to class? The student is the answer to both of these questions. One of the many purposes of school is co-operation. By making the teachers adopt detention camp, the student is showing that he isn't a good enough sport to get along with his school neighbors and teachers. Why can't the student abolish detention by co-operating and showing his good spirit in this matter?

Second Six Weeks Reports Similar to Those of Last Year

The December 7, 1933 issue of The Eagle's Tale shows that there are the same number of straight "A" cards for the second six weeks of last year as there are this year. Although there are three students making all A's both years, one student last year made five A's. Two students taking five subjects this year made four A's and one B. The percentage of failures this year is 1.1% higher for the second six weeks than for the same period in 1933; the former being 11.6% and the latter 12.7%.

The complete honor roll for this six weeks is as follows:

Those with five subjects: Jewel Chambers, 4 A's, 1 B; and Marjory Wilkinson, 4 A's, 1 B.

Those with four subjects: 4 A's: Mary May Harrison, Robert Orton, and Martha Jo Newlin; 3 A's, 1 B. Irene Thompson, Billie Bee Flesher, Lorene Bessire, Mary Charlotte Word, Winnie Dee Hicks, Marielle Oldham, Sherman Higdon, and Sarah Thompson; 2 A's, 2 B's: Mary Ella Davis, Natalie Flesher, Kate Donnell, Gladys McBride, Jack Oldham, and Mildred Shuman.

One A, 3 B's: Overton Donnell, John B. Pope and Lillian Chambers; 4 B's: Viola Dooley, Lecy Mae Furlow, Joe Harry Roberts, Neva Lois Miller, and Curtis Ellison.

Other grades: Thelma Bryant, 1 A, 2 B's, and Hampton Lisle, 3 B's.

Standardized Tests Given Civics Class

The civics class, under the supervision of Mr. John B. Pope, has been taking American Government Standardized Tests.

Each test represents a unit of the civics book. The class has taken three tests.

On the first test the class ranked average, and on the second they ranked above average. After each unit of work is completed, a test will be given, which will take 30 minutes.

SCIENCE STUDENTS STUDY WEATHER

The General Science Class is studying to be weather prophets. For three weeks they will read the barometer and record the directions of the wind. In this way they hope to accomplish the art of weather prophecy.

Gus Brown looks from the science room window and notices the two Schmitz windmills whose fans are pointed in the same direction, and predicts, "It's going to be fair and warmer."

Geneva Broom of Amarillo spent the week end with Sarah Bonnie Bourn and Bill Price.

Turkey Day or Turkey Daze

"Absent-mindedness!"

Well, Thanksgiving must have had a very queer effect on these Journalism students.

Miss Lois Goodrich was questioning one journalism student about her article for The Eagle's Tale. She persisted in saying she left her article on the journalism desk last Friday. She meant she left her article on the desk last Wednesday afternoon. Was her face red when a roar of laughter greeted her as she awoke three days late!

P. T. A. SPONSORS "OH! PROFESSOR" TUESDAY NIGHT

LARGE CROWD ATTEND PLAY, P. T. A. TO RECEIVE HALF OF PROCEEDS

"Oh! Professor," a musical comedy, was sponsored by the Canyon Parent-Teachers Association in the High School Auditorium, Tuesday night, Nov. 27, at 8 p. m. $69.30 was taken in from the play. Half this amount will belong to the P. T. A. and will be spent on useful and helpful things for the school.

Steve Crandall was a very girlshy college athlete, and his friends trying to get him to go to a college dance with a girl caused some exciting events. Professor Bangs was a very nervous old bachelor, especially when around Widow Bumboard who was left with one child, and who was pursuing the professor for matrimonial purposes.

At first the professor was fond of a young Spanish dancer, but in the end he found his spectacles and was able to see Mrs. Bumboard instead of the young girls. After many complications, Steve Crandall fell in love with the Spanish dancer, who was really Bob Davis' sister, Wilhelmina.

The play was directed by Miss Mildred Wayne, and was exclusively managed by Wayne P. Sewell, Atlanta, Georgia. The pianist was Mrs. Lee Foster. The play was produced in eight days.

Three Ex-Students Marry in November

Three ex-students of Canyon High School have married in the month of November.

Elizabeth Croson, '29, was married to Larry Sparks of Amarillo, November 17. Mrs. Sparks is also a graduate of W. T. S. T. C.

J. L. Harden, '32, married Esther Mae Smith, a teacher in the schools at Bula, Texas, November 9th. Miss Smith is a graduate of W. T. S. T. C.

Wilford Taylor, '32, was married November 28. He married Mable Pinkerts of Jumbo. Miss Pinkerts was enrolled in W. T. S. T. C.

Carruth Meets Two C. H. S. Graduates At Teachers Meet

While Superintendent I. B. Carruth was in Galveston, attending the Teachers Convention, he met Bob Jarrett and Harvey Cash, Jr., who were graduated from Canyon High School in 1928.

Bob Jarrett is now attending the medical school in Galveston. This is his third year there, and he will receive his M. D. degree next year. He is making good grades.

Harvey Cash Jr. holds a good position as an electrical engineer in Houston. He received his degree from Texas A. & M. College last year.

GIVE THE GIRLS A BREAK

Isn't girls' basketball as much to the school as any other sport? Whether it is or whether it isn't; it should be. The girls who play basketball work hard, and it means as much to them to win a game as it does to the football boys to win a game; so, why not support them like you support the boys in their sports.

Who is it that makes up a large part of the pep squad? It is the basketball girls. They faithfully support the boys in all their sports; so why can't the boys organize a pep squad and support the girls in their sports? The girls could go a lot further if they had more backing.

Miss Lois Goodrich spent the Thanksgiving holidays on the XIT Ranch near Channing.

"Thank heavens, all poetry isn't published," says a New York City college professor. He means, thank editors.

Janitors Building Fire Hose Cases

Mr. Kiker and Mr. I. M. Steen, janitors of the Canyon Public Schools, have recently completed a barometer case for the science room and are now making glass cabinets for the fire hose in the halls of the school.

These cabinets will be built similar to the bulletin board cabinet and will be ten inches wide. It will be necessary to break the glass in the cabinet in case of fire before the hose can be reached. The fire hose are being mended and put in first class condition. The work will be completed sometime next week.

Four New Students Enter School Mon.

Four Students entered school Monday, Dec. 3.

The two students in high school are Carl and Ferrell Abbott. They come from McLean High School, and are classified as sophomore and freshman, respectively.

The two students entering grade school are Wilma Jean Roy and Rufus Barnes. They are both entering the third grade.

SECOND GRADE ENTERTAINS FIRST, THIRD AND FOURTH

The 2A and B grades entertained the first, third, and fourth grades Tuesday morning with the following program:

Thanksgiving and Indian song by 2A and 2B.

Reading by Robert Mattock.

Playlet by 2A—Thanksgiving in Toytown.

Reading by Mary Gouzaler.

Song, An Indian Lullaby, by 2A.

Playlet, Friendly Indians, by 2B.

The majority of the football boys of Canyon High School attended the Pampa-Amarillo game Thursday.

Football Banquet Friday Night At The American Legion Hall

The annual football banquet will be held Friday night at 7:30 o'clock in the American Legion hall.

This banquet will be for the football boys, pep squad girls, parents of both, and for all other interested people of the town. For all people except the families of the football boys and pep squad girls there will be an admission of fifty cents. This is to be a cooperative banquet on the part of the school and the parents. Each student and parent will furnish some part of the supplies and expense.

"The students will appreciate having their parents with them, and the parents will enjoy the association of their children. The school and parents are happy to have this opportunity to give honor to the football boys and pep squad girls," says Mr. I. B. Carruth. Over two hundred are expected to attend.

Play Presented By Dramatic Club In Assembly Thurs.

A short play, "All on a Summer's Day" was presented by members of the Dramatic Club in Assembly last Wednesday, November 28. Assembly was in charge of the Student Council.

Characters in the play were: One, Beulah Brasuel, Two, Rowena Lockwood, Three, Chloie Hail, and Mammy, Ruth McCrerey. The play tells how each of the three sisters gets her wish.

The girls' quartet, Marjorie Wilkinson, Yvonne Thomas, Florence Root, and Ruth McCrerey sang "Little Bluebird of My Heart" and "When the Frost is on the Pumpkin." Marielle Oldham gave an Edgar A. Guest reading entitled "An Old-Fashioned Thanksgiving."

Home Ec. Classes Serve Luncheons

Using buffet service, the first and third period home economics classes served luncheons Tuesday, November 27, in the dining room of the Home Economics Department.

The following menu was planned and served to five of the girls by the first period class:

Swiss steak
Mashed potatoes String beans
Combination vegetable salad
Buttered rolls
Pumpkin pie Whipped cream

The luncheons and dinners served in the Home Economics Department are planned by the girls the day before they are served. They make out a working plan and order the groceries; then, the meals are prepared and served the following day. The course in foods is studied the first semester.

Seventh Grade Puts Out Mimeographed Paper On Holidays

Miss Lenna Foster, sponsor of the 7A English class, is sponsoring the publication of a newspaper which is published on holidays.

The mimeographed publication of the paper is carried on as a project in English class. The paper has been named The Eaglet's Tale and was published for the first time on Wednesday before Thanksgiving.

Jimmy Fite is the editor with Jack Price and D. A. Butler as associate editors. The social editors are Renna Beth Bellah and Estelle Vanarsdall with each student of the class as a reporter.

TYPEWRITERS EXAMINED

L. A. Vahue, demonstrator of Royal Typewriters, examined and explained these machines in Canyon High School at 1 o'clock Monday.

He explained decimal spacing, stroking, and different parts of the machine. He discussed how one should touch the key and release it, putting the point across in these words, "So it all comes back to hitting it and getting off of it."

Following his explanations, Mr. Vahue examined the machines.

Miss Ethleen Murrell and Miss Thelma Thorpe, who are teaching in Pampa this year, were in Canyon during the Thanksgiving holidays.

Miss Helen Johnson, a senior of West Texas State Teachers College, is observing the first period Home Economics class this week.

December Decans Rule Ten Pupils

The month of December has dawned and ten pupils of Canyon High School were born this month. These people were born under "the Decans of Sagittarius" and are ruled by this planet.

Jack N. Jennings, born December 4, has a full life ahead of him. He may either attempt a lot of work in different fields and accomplish nothing; or, he may attempt one large feat and succeed. He jumps at conclusions and judges on insufficient evidence. He should watch all legal matters that are connected with estate.

Natalie Flesher, born December 7, has a flashing, brilliant life ahead of her. She will enjoy travel, but she must avoid throwing herself out in too many directions at once. She should be careful in choosing her partner in marriage. Her one danger lies in dogs, so let her beware of them!

Bill Cone and Tennie Dora Brooks, both born December 15, have almost the same future molded for them. These people have scientific natures, but both should be very careful in their choice of a life's profession. They must put a great deal into marriage because they will gain no more from marriage than they put in. They should steer around scandal. Bill, you and your wife must tread the straight and narrow or else——!

Both Gladys McBride and Glen Burrus were born on Dec. 16, and have the same horoscopes. They should develop their love for arts. Both of them love to be admired, and both are very affectionate. They should marry young and settle down.

December 17 is the date of Lawrence Fulton's birthday. He has a great love for nature, but he should not choose a vocation like farming. He will find that money is easier to gain than to hold.

Wayne Marsh and Fay Plaster were born Dec. 22, and both are ruled by the planet of Capricorn. They have powerful characters, and they should be careful of how they influence people. They should choose a sympathetic person for their wife or husband. They should avoid a tendency toward family trouble over money.

Woodrow Hicks should be very careful in regard to his health. Money will more than likely lose its true value for him. Money is only a symbol. Public life will be very essential to his happiness.

C. H. S. Receives Ping Pong Sets

The Athletic Department of Canyon High School received two Ping Pong sets Monday.

These sets consist of eight rackets, 12 balls, two nets and two ping pong tables. A ping pong tournament is being planned, and the boys' and girls' physical education classes will be privileged to use the ping pong sets. The sets will also be used by students at noon when bad weather prevails.

C. H. S. also received a 16-inch indoor baseball to be used at noon.

STUDY HALL FOR TARDIES AND ABSENTEES ORGANIZED

November 26, the faculty, in a regular meeting, decided that in addition to the regular make-up period, all people who were tardy, absent, or checked on disciplinary matters must report to study hall every afternoon except Thursday, which is usually assembly afternoon.

Dorothy Faye Rusk, who teaches in Abernathy, spent the holidays in Canyon.

Margaret Nicholas was in Amarillo over the week end.

All Luck Seems To Go To Jack Pitts

What luck some people do have, my, my, my, and to think that Jack Pitts has all the luck of Canyon High School.

He is the luckiest human alive on earth or water. Even he, Jack Pitts, can throw paper from his seat to the waste paper basket and not have to stay in; it's luck!

Would you believe it?—last Saturday night Jackie was out riding in a new Chevrolet and turned over three times—the car. Jackie stated that when he woke up, he was in the back seat, and that he felt like both seats were on him and a jack in his mouth.

FOOTBALL TEAM ELECTS WESLEY COX '35 CAPTAIN

PLANS TO CHANGE FROM LINE POSITION TO THE BACKFIELD

Wesley (Fat) Cox, Eagle two-year letterman, was elected football captain for 1935 at a meeting of the football boys last week.

Captain Cox said that he would try to hold the position to the best of his ability. "I think you boys have made a wise choice in your selection of Wesley Cox as captain," was Coach Jones' comment concerning the boys' decision.

"Fat" has played the last two years in the line as guard, but is going to shift to the backfield next year to play half-back. He is recognized as one of the best blockers on the team and will be of great value to this position.

"Fat" moved to Canyon in 1928 from Pampa and has always been active in athletics; he is a junior this year.

Winter has come. Frost and ice and snow.

Carra Wayne Horne has developed a case of scarlet fever. School has been suspended for a week. Some are having their children given a serum. We hope it will be kept close and not spread.

Thirty-two ladies attended the miscellaneous shower given Miss Othello Lemley by Miss Aline McGehee Saturday afternoon in Wayside. A nice collection of gifts were presented to the honoree, and much appreciated by her. The mock wedding staged by Dickie McGehee as preacher and John Harvey Knoxo, 5 years old, and Mary Lee McGehee, 3 years old, as bride and groom, added much to the occasion. Refreshments were served to all. Guests from Canyon to the shower were Mrs. Irving SoRelle and Mrs. L. J. McGehee. Appropriate music by Mrs. SoRelle, Mrs. Floyd Adams and Mrs. W. C. McGehee were appreciated. An enjoyable affair to all attending.

Rev. and Mrs. N. S. Daniel of Vigo Park were in Wayside Monday morning to visit with W. C. McGehee, but found no one at home.

W. C. McGehee, wife and three sons made a trip to Canyon and Amarillo Monday.

present time on the Goodnight Trail. The caliche on the Trail is being sealed with a topping of dirt and the road will stand until spring before a contract may be let for the asphalt topping.

Several projects are being urged by the local committee for continuation after the men are released from the Goodnight Trail. The sanitation project, the Ceta canyon road, the Eighth street road south from the high school, and a project in the north part of the county have been requested. However, the State Highway department has requested that all men be released to them to start widening highway No. 9, starting at the viaduct, and working south to the Tierra Blanca creek where extensive improvements are being planned in the way of straightening the channel, and building a park over the old dump grounds.

Shipments of potatoes, butter and rice were added to the regular meat distribution of commodities at the local office. H. S. Strain, county administrator, requested additional mattresses, but these could not be secured.

Mrs. C. V. Sloan has been added as an assistant case worker, as all cases must be investigated every two weeks, according to a new ruling from Austin.

and their faculty supervisor; here they will have the actual experiences of managing a home. This is work which is required of prospective teachers who wish to meet the requirements for the Smith Hughes certificate which is demanded of many Texas schools.

In order to provide quarters for married couples and men, the cottage project was planned, and ten or more small cottages will be built. These are especially needed during the summer months when married couples find it difficult to find living quarters near the college campus.

The fourth building project, the men's dormitory, will be started early in January, and will give immediate employment to about thirty men. This dormitory will house at least forty men. It will probably be ready for occupancy by the opening of the summer session, June 4, 1935.

President J. A. Hill stated that the success of the college in securing Federal aid on these projects is largely due to the continued efforts of Congressman Marvin Jones, Tom Connally and Morris Shepard, all of whom have given much time to them.

Rittenberry and Carder of Amarillo are now at work upon the plans for the buildings, and President Hill is working upon the problem of location of each one.

Mothers-in-Law

(Continued from first page)

Knight, Mrs. J. L. Crum, Mrs. T. S. Trowbridge.

The next meeting of the club will be held January 3, at the court house. All mothers-in-law in Canyon and Randall county are cordially invited to come and join this organization.

Appreciation was expressed for the assistance of the Amarillo women in assisting in the organization.

The motto adopted was: A mother-in-law is a mother who has made good.

Less Effort Under Dictator Than In Democracy as Ours

"It takes far less effort to live under a dictator than in a democracy," declared Theodore O. Wedel, National Secretary for College work of the Episcopal church, as he spoke to more than 1,000 college students. Wedel discussed Plato's "Republic" and showed that problems of conduct are much the same in any century.

"In a democracy," he said, "The individual must make decisions for himself, while under a dictatorship conduct is governed from without. A country like the United States can succeed only when the individual citizen is governed by worthy inner sanctions."

Accompanying Dr. Wedel were Bishop E. C. Seaman of Amarillo, Rev. Walter Haenckell of Dalhart, Rev. Warwick Aiken of Plainview and Canyon. Dr. Wedel was especially interested in the work of the Canyon Little House of Fellowship, of which Mrs. Elizabeth Fry Page is hostess. This is the center for student work of the Episcopal church in Canyon, and thirty guests gathered there to meet Dr. Wedel.

A morning coffee with Miss Hellen Hickman as hostess, and a luncheon at Randall Hall, gave Dr. Wedel and his party additional opportunities to meet and converse with students.

Those spending Thanksgiving with Mrs. J. E. Greenfield and daughters were Mr. and Mrs. V. Greenfield and Ira Greenfield of Post; Mr. and Mrs. Ted Schuler and children of Petersburg; Mr. and Mrs. Hud Prichard and son; and Mr. and Mrs. J. Madison Daugherty.

Mr. and Mrs. Carl Scott and children left yesterday for a two weeks visit in the Rio Grande valley.

Boone McClure of Childress was home for the week end.

300 Novels Are Added to Library Thru Magazines

Three hundred recent novels have recently been added to the Public Library, through a plan which has been worked out by Miss Fannie Malone and her helpers, Inez Drummond and Mable Hare.

The library has great numbers of magazines in which many of the most popular novels have appeared in serial form. All these serials have been catalogued and patrons of the library may take out the magazines containing the novels in which they are interested. Miss Malone states that it is customary to allow a patron to take only four numbers of a magazine at one time, but that the serials are seldom continued through more than five or six numbers.

It has been discovered that people who take the magazines to read the fiction they contain often find articles which interest them and read practically the entire magazines before returning them.

The services of Miss Drummond and Miss Hare are given to the Library through the Federal government; they are both college students who are employed under the FERA.

Another interesting development of the Library is that people who are coming to it at the rate of from 35 to 50 each afternoon are now selecting much better reading material than when it was first opened last winter.

Miss Malone states that children who visit the Library nearly always bring their little friends after they have become acquainted with a few books, and that in this way the circle of readers is constantly enlarged.

"We should be well satisfied with the way people are using the library," said Miss Malone, "If only more people from the country would come in to read when they are in town and borrow books to take home with them."

The supply of books is constantly being enlarged, by gifts, by purchase and through repairing books which have become so worn they cannot be sent out. Recently a number of books were repaired at the low cost of fifteen cents each; these will probably last at least, as long as they have already been in use.

The Junior Woman's Club is continuing to purchase books for children, their selections being carefully made from the best juvenile books available.

The Woman's Book Club is adding as many books for adults as the money available will allow, and money which is paid for book rentals buys still other books, and pays for incidental expenses of the Library.

Citizens who have magazines, funny papers, or books which they can spare are invited to share them with others by giving them to the library. The library continues to be open from two to five-thirty each afternoon.

First Practice In Basketball Held Monday

Coach Al Baggett met the Buffalo basketball squad Monday afternoon in the opening practice of the season. Twenty men answered the call, and will battle for a place on the squad.

John Walker, elongated center from Spearman, heads the lettermen. Walker is playing his third year on the Buffalo basketball team, and is expected to reach his peak this year.

Edd McMinn is the only other regular from last year's team. McMinn was a sophomore last year, and was a regular forward. Although McMinn played flashy basketball at times last year, he did not quite attain the consistency which his freshman basketball had prophesied. Mac is expected to develop this year into one of the best forwards around.

Willie Boedeker was a reserve center and guard last year. This year he will probably play at a guard position, and his height and all-around ability should make it hard on opposing forwards.

Curtis Clement was a reserve forward last year, and although not quite as tall as the rest of the lettermen, is fast, a hard worker, and a consistent shooter.

Leonard Britt was the other reserve forward last year, and at times played a high type of basketball. This year Britt should be hard to beat out of a regular position.

Several stars from last year's freshman team, and several transfers are expected to add power to this edition of the West Texas Buffalo squad.
